

Kirby Gull Memorial Camp Scholarship Application

Rev. Kirby Gull had a life-changing experience at a Methodist Camp when, as a teenager, he first felt the call to enter the ministry. He then went on to serve the church as an ordained Methodist minister for many years. One of Kirby's long-time goals was to encourage children to attend camp in hopes that their faith may be enriched and encouraged through that experience. We are pleased to honor his memory by offering camp scholarships to those who would not otherwise be able to attend camp due to financial constraints. Scholarships will be funded by gifts made to Grace in memory of Kirby.

Who is eligible? Anyone who wants to go to a United Methodist Camp, regardless of age.

What camps are eligible: Any United Methodist camp in the United States.

How are payments made? Payment will be made by Grace UMC and will be sent directly to the camp. Please contact Coreen Witke for details on this process.

How much is each person awarded? Each situation will be handled individually. The purpose of the program is to remove financial barriers that may prevent anyone from attending camp. By working with the **Grants for Campers** program at Grace UMC and through the **Iowa Annual Conference**, we will work to help anyone in financial need attend camp.
